

EC SQUARE SANS CONDENSED PRO ver. 1.000 - README!

EC Square Sans Condensed Pro is a customized version of the original Square Sans Condensed Pro typeface by Parachute and is licensed exclusively to the **European Commission**.

DO NOT USE THIS SOFTWARE UNLESS YOU OBTAIN AN AUTHORIZATION
BY THE EUROPEAN COMMISSION.

This package includes a desktop as well as a web version.
The desktop version includes an opentype and a truetype format.

Truetype is recommended for Windows business applications.

The web version includes the necessary web font formats that support all existing browsers.
These web fonts can be implemented with specific CSS @font-face embedding techniques.

YOU ARE NOT ALLOWED TO USE OR CONVERT THE DESKTOP VERSION FOR WEB APPLICATIONS.

The font software is the property of Parachute®.
