# EVERYONE'S EXPERIENCE IS *Unique*

To discover Europe is to open a treasure chest filled with amazing culture, fascinating history, mesmerising landscapes, interesting people and unique experiences. Awaiting you on your journey are historic monuments, unforgettable events, exotic traditions and surprising local dishes. There's something to discover around every corner.

DON'T BELIEVE US? LET'S HEAR FROM THE PEOPLE WHO HAVE ALREADY TRAVELLED:

*"I really appreciated being able to travel freely without regard to geographic boundaries. I was very much surprised to find out how the differences between my country and the other Member States are in fact minimal, and it is always possible to feel at home."*

Samuele, Italy

*"Now I've visited other countries without my parents, I've realised it isn't as scary as it might seem at first. I will definitely try travelling more – maybe even by myself in the future."*

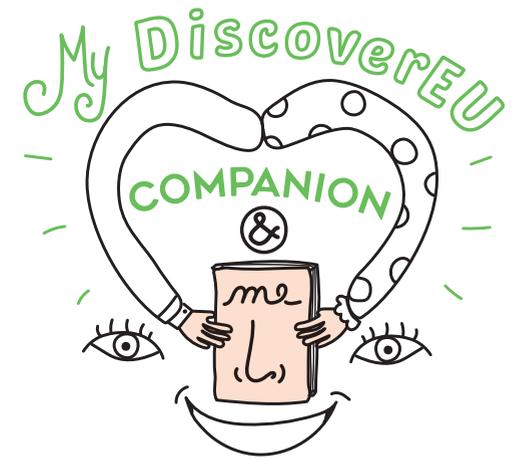

Linda, Estonia

*"I loved finally visiting places that were on my bucket list for so long."*

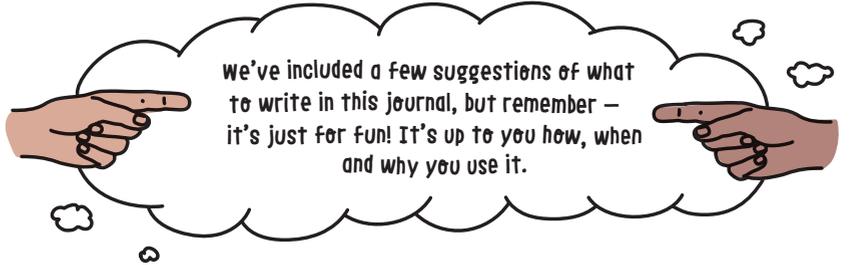

Franka, Croatia

*"My journey reminded me of my geography classes, only instead of illustrations in the book, I could admire the real panorama live."*

Patryk, Poland

In your hands, you are holding your fellow traveller for the upcoming journey across Europe. This practical DiscoverEU Companion will help you get organised before your departure, capture your memories as you travel and help you reminisce when you return. It'll be with you as you wander Europe's historic streets, as you gaze at beautiful artworks in famous museums and as you meet other travellers following their own unique routes around the EU. Feel free to fill it with notes, stickers, train tickets, drawings, photos and anything else that helps you remember this extraordinary experience. Afterwards, it will act as your go-to guide for becoming a great DiscoverEU Ambassador!

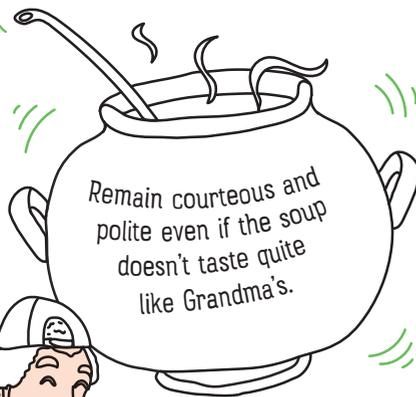

We've included a few suggestions of what to write in this journal, but remember – it's just for fun! It's up to you how, when and why you use it.

In short, this DiscoverEU Companion will be your best friend for the journey (just don't forget it on a train!)

JOIN THE #DISCOVEREU OFFICIAL FACEBOOK GROUP TO CATCH UP WITH OTHER TRAVELLERS, GET TIPS AND ADVICE, SHARE YOUR ADVENTURE ETC.

# A FEW THINGS *you* SHOULD KNOW BEFORE *you* HIT THE ROAD

Europe unites different people, languages, traditions and cultures, so exploring it requires tolerance and respect. The diversity of Europe means that we all have different ways of working (and that's a great thing!) but what's okay in one country might be less so in another.

RESPECT THE CUSTOMS AND TRADITIONS OF EACH COUNTRY. YOUR JOKES MIGHT BE HILARIOUS TO YOUR FRIENDS, BUT THEY MIGHT NOT GO DOWN QUITE AS WELL EVERYWHERE ELSE.

KEEP IN TOUCH WITH YOUR LOVED ONES; IT'S GOOD TO REASSURE THEM REGULARLY.

Take your time. Just because Europe has lots of cultures, countries and traditions doesn't mean you have to experience them all in one day!
